My Strengths In Use

- Empathy – connecting with community members & listening to their stories
- Connectedness – serving community serves all
- Belief – value human connection & human responsibility
- Intellection – constantly looking for human & community potential
- Developer – project proposal

Learning Outcomes

- I am more social than I thought
- I work well independently
- I handle constructive criticism well
- I would like to explore a career community development and/or developing community empowerment programs

Learning Outcomes

- I am proud of my strengths
- Project proposals can be very tedious
 - Language
 - Multidimensional
 - They should come from the people, from the voice of the community
