## Thank you, Harold Eilers '38

A son of German immigrants, Eilers understood the transformational power of education. Thanks to a generous gift from his estate, several Linfield students will receive scholarships annually to help them complete a Linfield education.

A decorated World War II veteran, Eilers had a distinguished career with Sears Corporation. He never forgot how a Linfield scholarship changed his life and he wanted to extend the same support to future generations.

*If you'd like to have a confidential conversation about how to configure your estate plans to benefit future generations of Linfield students, please contact Craig Haisch '95, director of philanthropic planning, at 503-883-2675 or [chaisch@linfield.edu](mailto:chaisch@linfield.edu).*
