Student Consent and Identification of Content Agreement

Please read this Agreement carefully before signing. In order to make your work(s) openly available via DigitalCommons@Linfield (or its successor technology), you must also complete a [Non-Exclusive Student Contributor Agreement](#). (Contributors only need to complete the Non-Exclusive Student Contributor Agreement once.) Contributors should notify all co-authors of intent to deposit work in DigitalCommons@Linfield; however, only one author needs to complete this Student Consent and Identification of Content Agreement. Any amendment or modification to this consent must be made in writing in the section marked Addendum and must be signed by all parties to be valid and binding.
