iSalud! Oregon Pinot Noir Barrel Auction Commitment Agreement

I hereby agree to the following conditions of participation in the iSalud! Oregon Pinot Noir Barrel Auction to be held on November 10 and 11, 2001:

1. The unifying goal of iSalud! is to provide access to health care for vineyard workers. The purpose of the auction is to support this goal, not for individual wineries to gain personal media attention. Hence, we will not seek undue advantage which could undermine a spirit of mutual cooperation and service.
2. Specific to the auction, we will donate eight cases of wine which will be a unique blend of our best Pinot noir from the 2000 vintage. Our owner or winemaker will be present at the auction and Saturday tasting. We will also provide samples of the cuvee. Other finished wines will be provided and will be paid for by iSalud!
3. We will provide support for and will participate in the iSalud! Service program. This participation will include the following:
 - Assist iSalud! personnel by providing access and introducing them to vineyard crews.
 - Allow time in the work schedule for iSalud! personnel to visit and provide service to vineyard crews.
 - Have information available from iSalud! for vineyard workers at all times.
 - Assist iSalud! personnel in contacting workers employed by other vineyards related to the winery.
4. We will provide leadership to iSalud! by participating directly or indirectly with the Winery Council.
