# KSLC<sup>FM</sup> 90.3

KSLC is Linfield's 10-watt FM radio station. It is licensed by the F.C.C. as an "educational" radio station so that it serves as a learning ground for those students wishing to gain "hands-on" experience in broadcasting. KSLC is open to all students as a learning experience, not only for broadcast majors. This year those involved included people from almost all of Linfield's areas of study.

The station broadcasts events from all of Linfield's major sports, and added womens' basketball to the list this year. They also ran many giveaways at KSLC from records to tickets to FM, a movie about (guess what!), FM radio.

KSLC also broadcast many visiting speakers, and a half-hour interview with *Pleasure* while they were on campus. During the interview KSLC was allowed to play selections from a tape of a yet-to-be-released album by the group, making KSLC the first station in the country to play the new music.
