STUDENT BODY ELECTS OFFICERS FOR COMING YEAR

MARK RICH CHOSEN PRESIDENT
AND WILL WIELD GAVEL;
BLISS ELECTED EDITOR

Sylvester Cross and John Crump to
Edit and Manage the Annual

On last Thursday the Associated students held their annual election of student body officers. April 11 the regular nominations were held at which time four people were nominated for each of the following offices: President, Vice-President, Secretary, Treasurer, Editor of The Review, Manager of The Review, Editor of "Oak Leaves," Manager of Oak Leaves, Gen'l. A. S. Manager, Yell Leader, and Song Leader.

The election on Thursday was marked by considerable interest and enthusiasm. Four popular Juniors were in the presidential race, Milton Coe, Delia Ingram, Jesse Manley, and Mark Rich. Miss Ingram withdrew her name from the nominations at the beginning of the balloting.

The returns of the election had the usual interesting feature, that of any candidate receiving a sufficient number of votes to elect him, however five candidates were elected, President, Mark Rich; Vice-President, Delia Ingram; Treasurer, Prof. Frerichs; Yell Leader, Clifford Hornbeck; Song Leader, Halsey Carstens.

The newly elected president, Mr. Rich, has been active in different phases of college life. For the past year he has been president of the Y. M. C. A. He has managed the Lyceum

PRESIDENT RILEY WRITES INTERESTING ARTICLE

In the April 23rd issue of "The Baptist" President Riley has contributed a very interesting article entitled "Making Our Leaders." He relates the life history of a student graduated from McMinnville college, and whose fame today in religious and educational circles reaches from the Atlantic to the Pacific. This alumnus has accomplished wonders for his fellowmen and is destined in his onward march to become one of the leading religious educators of the world. Don't fail to read the article.

Production Entitled "The Prospector"
Highly Praised by Critics in
Iowa City Paper

On April seventh at the Englert theatre in Iowa City, Iowa, a play, entitled "The Prospector," written by Mr. L. K. Shumaker, son of Prof. L. S. Shumaker, was given and received an enthusiastic ovation, winning unlimited praise for its author.

The play was presented by two literary societies, namely Irving Institute and Erodolphian Literary Society. The audience which witnessed the performance was composed of over a thousand of the townspeople, and varsity students and educators. The Iowa City Press-Citizen remarks that if it were a case of "coming to scoff" it was also a case of "remaining to pray," so impressive was the production.

The following is quoted from a very lengthy article which appeared the next day in one of the local papers:

"Mr. Shumaker, the author, scored a real triumph. His four act drama was a delight from the raise of the curtain to its final fall. The audience was really enraptured. The melodramatic lines and situations—especially the tense ones of the Alaskan misen-scene of the prologue—were thrilling. The general dramatic dialogue and effects were admirable; and the comedy was bright and sparkling.

"The audience united in the interim following the strong third act as a man (nd womn) to cry with metropolitan fervor: "Author! Author! Author!" until, in response to this salvo and bravo hurricane, the writer, khaki clad, and blushing-cheeked, stepped halfway out of the wings to bow his acknowledgment, abashedly, as if he "wondered why."

"He earned the tribute, for "The

HIGH SCHOOL TO PRESENT "THE MAID AND THE MIDDY"

The local high school will give the operetta "The Maid and the Middy" in the Imperial theatre April 29 and 30. This is the first operetta that the high school has ever given. Those who are familiar with the dramatic work of the high school students will want to see "The Maid and The Middy." The operetta will be presented by a well selected caste which has spent many weeks in faithful rehearsals in order to equal the success scored by the caste that presented "Green Stockings" earlier in the year.

COLLEGE GLEE CLUB TO GIVE OPERETTA

"The Feast of the Red Corn" to be
Presented in College Chapel May
Day Evening

The Indian Operetta entitled "The Feast of the Red Corn" will be presented in the College Chapel the evening of May Day, May 6. It was first thought that the Operetta would be given the evening of May 7 but such plans have been abandoned in favor of May 6.

The Girls' Glee club has been practicing faithfully for many weeks and now has the Operetta well in hand. According to original plans the entertainment was to have been given out of doors as the scene settings are especially adaptable to natural scenery, but this has also been changed and it will be presented in the college chapel.

The story of the Operetta is easy to follow, the music is very Indian and wierd, and the movement is culminating and climatic.

The principal parts will be played by the following: Queen Weeda Wanta, Mildred Jones; Impee Light, younger sister of the Queen, Jessie Jeffery; Fudgee, Pudgee, Wudgee, children of the Queen, Leona Walker, Peggy Goude, Dorothy Campbell; The Old Squaw, sorceress of the tribe, Esther Telcher; Indian Maid, Alma Carstens; Members of the tribe, Dorothy Smith, Minnie Larson, Edna Polson, Mary Louise Andrews, Eliabeth Pangborn, Sarah Christiansen, Evelyn Leger, Helen Ankcorn, Ruth Riley, and Ida Miller.

"Mother" Potter is giving a great deal of her time to the directing and perfecting of the operetta. She is being assisted by Mrs. Alice Richards as dramatic coach, Halsey Carstens at the piano, and Kenneth Hickok on the Tom-Toms. Prof. Richards is property man and stage director.

"SAFETY FIRST" TO BE GIVEN CAMPUS DAY

The Preparatory Dramatic Club will open the May Day festivities with its three-act Farce-Comedy "Safety First" to be given in the college chapel Thursday evening, May 5. The members of the caste have been practicing faithfully for several weeks and the manager, Alex Rhine, says the club will surprise the audience with one of the snappiest plays seen in McMinnville for some time.

This new and sparkling farce has a story of sustained interest, abounding in mirth-provoking situations. Its leading role is that of an innocent and inoffensive young husband, Jack Montgomery, who is plunged into the abyss of the law after trying to rescue a Turkish maiden from the hands of the police. Jack and his chum Jerry visit Zuleika to aid the interests of Jack's cousin. Jack, Jerry, and Zu-

CAMPUS DAY

Campus Day at McMinnville is a distinctive feature of the year. It is unlike any other day on the College calendar, and unlike any day on most calendars. It is a holiday that's not a holiday, for everybody works, works for Old Mac.

It has nothing in common with any other day of the year. The day is begun with Chapel at 8:15 in the morning after which the raking, cutting, spading, hauling, and cleaning up in general is begun. The various committees report to their chairmen immediately after Chapel is dismissed and each committee takes up at once the assigned duties of the day. Not only is the campus thoroughly cleaned and all athletic fields put in shape, but all preparations for the crowning of the Queen of May are accomplished.

The carpenter and greens committees do their work on Wednesday evening so that on Thursday morning the platforms for the throne are ready for decorating and there are plenty of greens for the various decorating committees and the fir chain committee.

The big Campus Day Luncheon is one of the most interesting features of the day. Everybody brings all the "chow" he can gather up. The college commons donates a large amount for the luncheon as there are so many of the students who board there. The Y. W. C. A. runs a booth that is quite centrally located and easily accessible at all hours of the day for those who work so hard that they cannot wait for the luncheon or supper hours. Many of the students bring cash and buy their noon lunch from the booth. "Hot dogs," hamburger sandwiches, pies, cakes, pickles, and ice cream all day long.

"All work and no play makes Jack a dull boy." The supervising committee recognizes this fact and a short program is run off immediately after the noon lunch. Sack races, three-legged races, girls' tug-o-war, and many other interesting events.

After the sport program the committees continue their tasks until completed. In the event that some committees finish their work before others are through, they should report to the supervising committee, and be assigned to other committees in order to help every committee complete its work before the supper hour. It is generally understood that every student is on the campus for an all day job and therefore should not leave until his services are no longer required.

After all, it is nothing but Campus Day. If it were a holiday nobody would want to work. But if it were not Campus Day there wouldn't be all the other things on May Day that draw so many visitors, prospective students, and loyal alumni each year.

This year there is to be an added feature. The Preparatory Dramatic Club will put on a Farce-Comedy in the College Chapel that evening. True, everybody will be tired, but all the good sports will ask some lady friend, either the "steady" or in case the young man is not so fortunate, some young lady that has worked hard all day, and at the close of the day is still smiling.

And so, all things considered, it is a day that no student can allow himself to miss. If during his college course he has missed a single Campus Day, he has missed much of his education in the old school. Whether he lives near the campus or ten miles away, he knows, in most cases, that he is the wiser who covers that distance before 8:15 o'clock on Campus Day morning.

Campus Day is not a dress-up affair. Students are expected to come in their old togs, the harder you look the harder you can work, and do your bit to make the campus more beautiful, and to show to each other and to the public that the McMinnville spirit is a living reality.

To the Editor:

The Review of two weeks ago contains an article entitled "Who is Responsible" which many believe to be a direct thrust at the Student Body Manager. To the writer of this communication the criticism seems most unjust. The article mentions the unsanitary conditions of the gymnasium. The writer assumes that by sanitary conditions the imperfect sewerage conditions are referred to. The Student Body Manager is not responsible for them. They are under the control of the college and the Manager has made repeated requests to have them improved. The article also speaks of the meagre equipment that has not been taken care of. What is there to be taken care of? The shower and the stove have been kept in shape. Where is the rest of the equipment that has been neglected? The wood which was left out in the rain has also been the object of criticism. Perhaps it has not occurred to some that if the wood had been down under the gym it would all have been burned up long ago and more of the slender amount of money left in the treasury would have had to go for wood. The wood outside never got so wet but that it was possible to get a good hot fire with it. By letting those who used it during the winter bring it down themselves much of it was saved.

Not long ago The Review contained an article on its editorial page which said that we should boost for student activities not crab at them. This is a pretty good time to do that thing. The writer held the position of Student Body Manager for one year and realizes the many duties which fall to the holder of that office. The Man-

ager's task is not an easy one and as the spring advances it becomes more and more difficult. Let us boost for the Manager when ever we can and not always be too busy with something else when he needs help.

NISSEN CHOOSES CABINET AND OUTLINES Y. M. POLICY

The new Y. M. C. A. officers and members of the cabinet as chosen by President Nissen took office last Wednesday, April 20. The following are members of his cabinet: Vice-President—Halsey Carstens, Secretary—Orin Wilson, Treasurer—Earl Druze; Chairmen of the various committees are: Membership—Halsey Carstens, Religious Meetings—Mark Rich, Bible Study—Russell Elliott, Mission Study—Ruel Marsh, Social—George Paul, Extension—Weston Henry, Publicity—Worth Wright, Employment—Fred Whitaker, Seabeck—Mark Rich, Faculty Advisor—Prof. Shumaker.

Mr. Nissen has selected a strong cabinet and is planning for a big year in Y. M. work. Recently Mr. Nissen made the following statement regarding his policy for the coming year. "The Policy of the Y. M. C. A. during the ensuing year will be to keep up the good work of the organization as it has been carried on in the past few years; the weekly devotional meetings (which is the proper place for the discussion of campus problems), the Bible Study, Mission study, employment bureau, social (Y. M. Stag and YM-YW Joint Reception) will be carried on with the usual pep and Christian spirit. In addition to these activities, the administration will carry on an active campus service destined to make the new students quickly feel at home, to encourage them to make a strong Christian stand and to keep them closely related to the works of His Kingdom. Also to carry on an active extension work, extending the Christian influence into the nearby High Schools and villages.

Y. W. C. A. NOTES

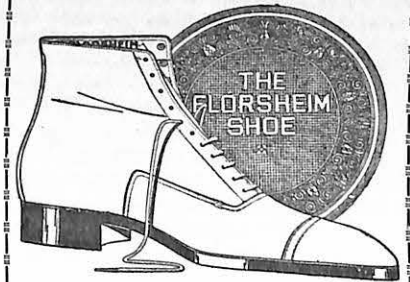

The new Y. W. year has begun with lots of snap, and peppy meetings are the order of the day. The first meeting was led by the president, Minnie Larson, who discussed with the girls plans for the coming year. The questions being discussed in the weekly meetings are those which daily present themselves to the girls on the campus and so have a vital interest for everyone.

Zelda Peard led on the subject "Blossom Time" and Eva Cummins chose "Mountain Peaks." The last meeting was led by Gray Light on "Golden Gossip."

KAPPAS ENTERTAIN FRIENDS

On Friday evening, April 22, the Kappa Alpha Phi sorority royally entertained its gentlemen friends. The home of Miss Mildred Christenson in Portland was the scene of this "At Home" party.

The hearty welcome and the renewal of friendships was very prominent. By means of a clever guessing game, every one soon felt "At Home." An interesting program was presented by members of the sorority. The program included a piano solo, "The Witch Dance" by Helen Skinner; a playlet, "Do Men Gossip?" by the Kappa Dramatists; reading by Eula Bones, and a comic opera, "Romeo and Juliet" by the Kappa quartet brought it to an unexpected end.

A delightful two course luncheon was served after which the sorority song was rendered by the hostesses.

The guests were Earl Richardson, Park Richardson, Blair Stewart, Raymond Bueermann, Harold Foskett, Douglas Hinson, Axel Osterholm, Charles Stewart, Hugh Dowd, Mark Rich, Erston Nofstinger, Worth Wright, Elmer Dierks, Oscar Meddaugh, John Crump, Llewellyn Larson, Park Stewart, Orin Wilson, Harold Bliss, Edwin Kratt, and Claude Proffitt.

The house party afforded a rare opportunity for the new girls to meet the older ones. Besides the fun and frolic there were those serious moments when many helpful discussions were held.

Sunday the girls went out to the University Park Baptist church where Professor Schlauch gave the address of the morning. Mrs. Mollie Warren was chaperone. The sorority was glad to have with them as an honored guest Mrs. Warren's daughter, Miss Marjorie Warren.

Harold Bilss, who is at present manager of "Oak Leaves" and who has had considerable experience in connection with high school weeklies and annuals, and has also been editor of his home town weekly, was elected editor of The Review. With such experience to back him the students can look for a real live paper with Bliss as editor.

Weston Henry, the present manager of track, and a man who has been very active in athletics will manage The Review.

Sylvester Cross and John Crump were elected editor and manager of "Oak Leaves" respectively. Both men have been busy in student life and have given much of their time to the furtherance of student activities.

Ben Larson was elected Gen'l. A. S. Manager.

pects to put the campus in first class condition. Quite a large committee will be assigned to Jose Petran to work on the tennis courts as they are in very poor condition for the tournaments to be played with P. C.

Miss Davis will have charge of the big Campus Day Lunch which will be held on the campus that day. After the lunch the usual line of stunts and sports will be pulled off before the afternoon work is commenced.

The festivities proper will begin Thursday evening when the Preparatory Dramatic Club stages its Farce-Comedy "Safety First." This play will be given in the College Chapel.

Friday forenoon Princess Mildred I will be crowned. All the time-honored customs connected with the crowning will be observed as usual. The May dances, drills, etc., will be graced by Queen Mildred I. The following will compose the court of Queen Mildred: Bishop, who will crown the queen, Prof. L. S. Shumaker; Herald, who will announce her approach and read her proclamation, Avard Whitman; Maid of Honor, Elizabeth Pangborn; the Queen's Maids, who will attend her Royal Highness, Esther Telcher, Elizabeth Stewart, Alma Carstens, Mary Louise Andrews, Mary Ballard, and Myrtle Ballard; the Guards, who will protect Her Majesty, William Swift, Ben Larson, Edwin Kratt, Russell Elliott, Orin Wilson, Kenneth Riley; Jesters, who will make sport for all, Alex Rhine, Jesse Manley.

In the afternoon Pacific college will be met in baseball and tennis. It is possible that part of the tennis tournament may be played immediately following the coronation in the morning. The baseball game will probably start at two o'clock.

The festivities of the day will be concluded by the Girls' Glee club. They will present the Operetta "The Feast of the Red Corn" in the college chapel. This promises to be one of the biggest events of the week-end and will be a very fitting close to the grandest May Day celebration ever held in McMinnville.

A complete program of the festivities will be printed in the next issue together with further announcements concerning the big day.

RUN WITH YOUR LEGS AHEAD OF YOUR BODY SAYS SPRINT CHAMP

"Most men run with their legs behind," said Charles Paddock, University of Southern California sprinter, who won first place in the sprints at the Olympic meet.

"There is no secret in my running," continued Paddock. "I attribute my success to good condition and leg drive.

"I think sprinting is done with the legs well in front of the body. A strong stride or perfect stride can be accomplished with the legs and feet well in front, and not with the common mistake of throwing the body forward.

"Driving power is lost with the body titled front," was the comment made by the noted Trojan sprinter.

PACIFIC COLLEGE TEAM LOSES TO INDIANS AND P. U.

Saturday, April 16, the Chemawa Indians defeated the Pacific college 9-4, in Pacific's first game of the season. The Indians started Lawrence on the mound, but he allowed two men to score in the second so was relieved by Beetles, the fast south-paw. Beetles pitched class A ball but received poor support, errors accounting for the additional two tallies. Chi Sung Pil, the Korean twirler, and Elliott was the battery for P. C. Pil was going good until the third when the Indians touched him for enough safeties to net them five runs. Two hits and errors assisted the Indians in securing the other four.

Pacific college lost their second game last Friday on their home diamond when the P. U. nine from Forest Grove trimmed them by a 5-3 score. P. C. lost the game on errors. Chi Sung Pil was on the mound for the Quakers, and fanned 11 men and allowed only five hits. Sheeley pitched for P. U. and struck out ten men. Occasional showers made the playing exceedingly difficult on the wet grounds and the game was called at the end of the seventh inning.

TUITION INCREASED AT PACIFIC UNIVERSITY

At a recent meeting of the Board of Trustees of Pacific University action was taken regarding the increase of tuition rates. For many years the rate has been \$60.00 per year, but those who register after August first 1921 will be required to pay the new rate of \$75.00. The date of August first was set in order that those of the present student body who intend to register for next year might signify their intentions of so doing before that time and thus secure the former rate of tuition. This is also applicable to high school graduates who are likewise given the opportunity of registering before the increased rates become effective.
