INDIANS DEFEAT LOCAL BALL TEAM IN SNAPPY GAME

BOTH TEAMS PLAY CONSISTENT BALL. INDIANS CONNECT IN PINCHES FOR THE FIVE TALLIES

R. Larson Pitches Great Game. Gowan Shows up Well Behind Plate

The McMinnville ball team lost a well played game to the Chemawa Indians on the local diamond Saturday afternoon by a 5-0 score. However, the score does not indicate the class of ball played for it was a tight game from start to finish. Both teams were on their toes at all times.

Neither team scored in the first two innings but Chemawa managed to push one across in the third on a hit and error. The Indians scored again in the fourth and one in the seventh. In the opening half of the ninth they staged a little rally collecting two tallies on three hits. McMinnville was unable to connect in the pinches, and the ones the Indians booted came at times when they were not costly.

Joe Bettles worked on the mound for Chemawa in grand style allowing but three hits. Bettles is a clever pitcher and has lots of stuff on the ball. With the aid of Choate behind the bat he can put them just where they are most effective.

Roscoe Larson twirled for Mac in his usual cool steady style. There is nothing fancy or tricky about "Ros-

MUSIC STUDENTS TO APPEAR IN RECITALS

Tonight in Music Hall the students of the conservatory of music will give a general piano and voice recital. The students have been preparing for this performance for some time, and the program will be unusually good.

On Wednesday evening Miss Irene Putnam of Sheridan will give her Jun-ion Piano recital and will be assisted by Harlow Leger, vocalist. Miss Putnam is considered an exceptional piano student.

The public is cordially invited to attend the recitals.

Waiting

(John Burroughs)

Serene I fold my hands and wait,
Nor care for wind, nor tide, nor sea;
I rave no more 'gainst time or fate,
For, lo! my own shall come to me.
The stars come nightly to the sky;
The tidal wave comes to the sea;
Nor time, nor space, nor deep, nor high,
Can keep my own away from me.

McMINNVILLE TAKES FIRST HONORS IN COUNCIL MEET

MAC DEFEATS REED COLLEGE BY 4½ POINTS AND TAKES MEET WITH TOTAL OF 43. PACIFIC U. ENTERS STRONG TEAM. ALBANY SENDS TWO MEN. CHRISTMAS OF REED IS HONOR MAN

Davis Shatters College Discus Record With Throw of 115 Feet 9 Inches. Mac Sprinters Take Meet By Winning Relay Event

McMinnville college track team won the Council track meet at Multnomah field Saturday afternoon, May 14, after a tough struggle with the Reed college athletes.

When the call was sounded for the half-mile relay men to get on their marks for the last event of the programme, Reed college was leading by a half point, the score sheet at that time showing Reed with 38½ points, and McMinnville with 38. The relay deciding the meet was won by Mac's fast sprinters, Meddaugh, Coe, Vester, and Hoberg composing the team. This gave Mac a total of 43 points and the meet. Reed was second with 38½ points, Pacific University third with 24½ and Albany college fourth with 16.

GLEE CLUB TO GIVE OPERAETTA IN AMITY

The Indian Operetta "The Feast of the Red Corn" to be Given in Amity Tomorrow Evening

The Indian operetta, "The Feast of the Red Corn," produced by the Women's Glee Club of the college, that made such a hit with an over-crowded house on the evening of May Day, will be presented in Amity tomorrow night. It was expected that the operetta would be given in Sheridan, but due to circumstances that could not be avoided this plan has been abandoned.

The production was most enthusiastically applauded here, and will doubtless be received with a hearty welcome in the neighboring hamlet. Considerable work has been done to improve the production since its presentation and will be well worth your while seeing again. It is urged that as many of the students as possible arrange to go to Amity Wednesday, and help to support the work of the club.

Thomas Christmas of Reed college carried off the individual honors of the meet, scoring a total of 17 points, taking firsts in the broad jump and shot put, second in the javelin, and tied for first in the pole vault.

De Lasaux of Albany gave Christmas a close run, collecting 16 points for his school single-handed. He placed first in the 440 dash and the javelin throw, and second in the 220 yard dash and the broad jump.

McMinnville took first in the 220 yard dash, 880 yard run, mile run, discus, and won the relay. Hoberg in his usual style hit a fast clip and crossed the tape in the 220 yard dash in 24.2 seconds.

Hall surprised his old running mate in the 880 yard run when he defeated (Continued on Page Four)

DUAL DEBATE WITH C. P. S. CANCELLED

Puget Sound Institution Fails to Keep Agreement. Manager Cancels Debate Scheduled for May 27

The McMinnville college men's debate teams were scheduled to meet College of Puget Sound in a dual debate May 27, on the subject, "The U. S. adopt the English cabinet system form of government."

It was distinctly understood when the subject was agreed upon and the debate arranged for that no subject would be acceptable that either school had previously debated. However, it was learned through the columns of the University of Washington Daily that C. P. S. was to meet the Badger Club of U. of W. on this same subject May 20. Mr. Jackson took the matter up with C. P. S. but was unable to make satisfactory arrangements, so cancelled the debate.

People who are always telling us that the world is worse than it used to be never seem to realize that perhaps it is because they are in it.

CONQUEST CLASS TO HOLD ANNUAL PICNIC MAY 28TH

ENTIRE STUDENT BODY INVITED TO ENJOY ANNUAL PICNIC AND BIG DAY AT BAKER CREEK FALLS

Must Sign Up Soon if You Intend to go. Tickets on Sale Wednesday

The crowning picnic event of the year will take place on Saturday, May 28, when the Conquest class, and that includes the entire student body, will hold its annual picnic at Baker Creek falls. Notice has been placed upon the college bulletin board asking that those who are going sign up at once. This must be attended to in order that the transportation committee can arrange for the required number of hay-rack wagons, so if you want transportation put your name on the list today.

Miss Susie Steele is social chairman and director of the affair. She has things well organized and is planning on giving the students the time of their lives. Everybody will be at the Baptist church not later than 6:30 a. m. the time for starting, and that means those who come late will face disappointment. In past years it has been customary to return about ten o'clock in the evening, but this year Miss Steele plans to bring the bunch back about eight or a little later.

Dinner and supper will be served in picnic style near the foot of the falls.

LARGE DELEGATIONS GOING TO SEABECK

The Y. M. and Y. W. held a joint meeting last Wednesday boosting for large delegations for the summer conferences at Seabeck. Both organizations were well represented and a great deal of enthusiasm was shown.

Prof. VanOsdel led the meeting. All those who had ever attended a conference at Seabeck were called upon to speak on some phase of the activities enjoyed there. About a score responded with snappy talks creating considerable enthusiasm. A quintet of Y. W. girls sang several songs learned and used at Seabeck, among them the song that won first prize at the conference last summer.

McMinnville has always been well represented by large delegations, especially is this true of the Y. M. delegations. This year it is hoped that McMinnville will have the honor of sending the largest delegations, as she has often done in the past. Many of the students are planning to go and many more could go if they would only make up their minds and settle the matter. Boost for Mac and break the record.

WHAT SHALL BE DONE?

The article on this page entitled "Property Rights" sets forth in a very vivid manner a deplorable condition that exists on the campus today, and one that must be remedied at once. Several, who have had the misfortune of losing property, have attempted to analyze the situation, and in the majority of cases have come to the conclusion that the "big family" idea "has gone to seed" so to speak. It is one of those institutions that seemingly has had its day. It has been overworked to such an extent that it has ceased to function properly, and to accomplish its intended purpose. Students have taken advantage of the "big family" relationship, and the conditions mentioned actually exist and it has reached a stage where there is very little respect for the rights of others.

Certainly such a state of affairs cannot continue longer. Something must be done. Think of the scores of letters written to brothers, sisters, parents, and friends in which the loss of an umbrella, text-book or other property is mentioned, the disappearance of which cannot be satisfactorily explained, and to which this remark is added, "I didn't think such things could happen in McMinnville college." The students are a living advertisement of the college. It is well to remember that a hundred conscientious students cannot live down the reputation established by two or three careless and indifferent ones, and unless the students can change conditions, the administration will have to step in and exercise authority.

DO YOU KNOW YOUR UNIVERSITY?

The following editorial from the Syracuse Daily Orange gives advice by which any student can further the interests of his own institution:

"Do you know your university? Can you talk intelligently about the many advantages which make Syracuse Uni-

versity a widely recognized institution of learning? Are you able to discuss your university in a competent manner, to point out to the stranger of the prospective student the opportunities which Syracuse offers for an education, and to enlighten him on questions concerning your own university? These and many other similar questions the students of Syracuse should be able to answer in the affirmative.

"Or do you live within the limits of your own college or school as a part of Syracuse and within the boundaries of your own specialized section? Are you versed to talk on questions relative to your own college or school, or are you qualified to converse on topics concerning the whole university? As students at Syracuse we should be able to talk with some degree of intelligence not only on the specialized subjects but also on general college subjects. We are deriving benefits day by day from the university and in return ought we not to boost our university whenever the opportunity offers? But first we must know our university and be able to present the facts to outsiders so that they are convinced of the educational facilities which Syracuse University offers. We should be proud to take advantage of every opportunity for uplifting all for which the university stands and those things which have contributed to its growth.

"Syracuse University is growing and growing fast, but did you ever realize how much faster you as an individual might help it grow if you would only live Syracuse and talk Syracuse? Know its traditions, its customs, its opportunities, and its greatness in the collegiate world."

PROPERTY RIGHTS

Attention has frequently been called in these columns to the tendency on the part of some in the Student Body to treat as public property anything that happened to be loose in or around the college buildings. This "tendency" has reached the stage where it has become a distinct public nuisance. For some time it has been impossible to leave text books, theme paper, umbrellas, tennis racquets or balls, or even bicycles in or about the buildings with any assurance that they would be there when wanted by the owner. This is a disgracing situation for any self-respecting body of people to tolerate, but instead of improving, the situation has steadily become worse.

Recently some theatrical property rented by the Prep Dramatic club was taken from Miss Ramsey's classroom and all efforts to locate this property have so far proved vain. The Book Store placed a number of May-Day pictures on the bulletin board for the convenience of the students in ordering pictures. A number of the best of these were removed by some person whose interests are not in harmony with the best interests of the Student Body and the College.

This is indeed a disgraceful situation and one that should not be tolerated any longer. Disagreeable as the task is, it is the duty of every loyal student in the institution to assist in impressing upon a few misguided friends the fact that there are such things as property rights, and also the necessity of observing these rights.

Doubtless the greater part of this is done, not with any intention of stealing, and the guilty individuals would be horrified if that word were applied to their acts, but rather it is done through a misconception of the democratic spirit and customs of our school. Whatever the cause may be,

TO OUR MAY QUEEN

The song of the birds, the hum of the bees,
The soft low whisperings among the trees,
The opening buds and the garden song,
The murmuring brook as it glides along;
The springtime lay of joy and mirth
Comes to us from all the earth,
Heralding our festive day
In this the merry month of May.
To her bower upon the green
We've come to crown our chosen queen,

Come she and her attending train;
Smiling, happy, carefree, gay,
We greet our chosen Queen of May.
With head erect and stately tread,
With spring's best gifts around her spread,
She takes her place upon the throne;
We welcome her unto her own.
So like the spring herself is she
In beauty, grace, nobility;
Each loyal subject worshipping
In song and dance we tribute bring.
As there are many who love the May
And enjoy her sunny smile today,
So, many suitors admire our queen
And many a token of love is seen.
But Mildred in her quiet way,
Smiling turns them all away.
Perhaps into her heart's strong wall
An unknown king has found the key,
And entering took control of all—
Perhaps she is no longer free.

So here's to our queen, the pride of
May
And here's to her subject true;
Here's to the spirit of the festive day,
Which the youth in us renew.

—Allie Braughton, McMinnville.

It's Not Too Late

With doubt and dismay you are smitten,
You think there's no chance for you,
son?
Why the best books haven't been written,
The best race hasn't been run;
The best score hasn't been made yet,
The best song hasn't been sung,
The best tune hasn't been played yet,
Cheer up, for the world is young.

The best verse hasn't been rhymed yet,
The best house hasn't been planned,
The highest peak hasn't been climbed yet,
The mightiest rivers aren't spanned,
Don't worry and fret, faint-hearted,
The chances have just begun.
For the best jobs haven't been started,
The best work hasn't been done.
—Berton Braley,
The Phreno Coeiman—Dakota Wesleyan University

If you don't think cooperation is necessary, watch what happens to a wagon if one wheel comes off.

the effects are the same, whatever the motive. There ought to be less of such situations in a community of individuals such as our own Student Body, than in a community whose members are governed by a great number of ironclad rules and laws. If we would preserve our democratic privileges and our self-respect, let each student make an earnest effort to change this condition of affairs without any disagreeable complications. If the desired end cannot be reached in this way, the time is rapidly approaching when some drastic action must be taken. R. I. M.

FORENSIC FROLIC

Last Tuesday evening the Forensic Club concluded its year's program with a picnic in the woods. The walk out produced good appetites for supper which was enjoyed around the campfire. When all were satisfied, the program of the evening followed in the form of a "Reader's Guide to Magazines." Stunts representing various magazines were staged in the firelight as follows: (1) "Survey," (2) "Life," (3) "Literary Digest," (4) The Opera, "Romeo and Juliet," (5) "The Speaker," (6) "Woman's Home Companion," (7) Vocal Selections.

After the party started homeward, another impromptu stunt formed a "pleasant" surprise both to audience and performer. This had not been included in the program but should have appeared as (8) "Judge" (The Groom's Downfall).

Members of the club attending the picnic were: Alice Oliver, Mattie Bean, Ruth O'Keefe, Sarah Christiansen, Dorothy Copley, Elizabeth Pangborn, Neppie Lou Bell, Bertha Pentney, Edith Clark, Paul Jackson, Duncan Olmstead, Oscar Gladish, Charles Davis, Emerson Cox, Sylvester Cross, Hilmer Bentson, William Osgood, and Kenneth Riley. Prof. and Mrs. Jewell were invited guests.

TENNIS ENTHUSIASTS TAKE ADVANTAGE OF GOOD WEATHER

Since the tennis courts were put in such splendid condition on campus day, many of the students are availing themselves of the opportunity of learning the game. Morning, noon, afternoon, and night, the courts are crowded. Those who have played the game before are taking advantage of the spell of sunny weather, and are developing a few new strokes. The team encountered a disastrous defeat when they met P. C. on May Day, but such will not be the case when they meet them again on the P. C. courts.

Many new beginners are seen in action every day. This is encouraging for it will mean stronger and stronger teams every year, and with more experienced players available, more victories will be brought to Old Mac.

**PHI EPSILON HOLDS
SIXTEENTH ANNUAL BANQUET**

The sixteenth annual banquet of the
Phi Epsilon Fraternity was held in the
Commercial club rooms Saturday
evening, the fourteenth of May.

The hall was beautifully decorated
in blue and gold and lighted by soft-
shaded lamps. When all the guests
and hosts had arrived they were
ushered into the dining room. The ta-
bles were arranged in the form of an
epsilon and artistically decorated with
beautiful flowers, shaded candles and
novel blue and gold place-cards and
favors presenting a very pleasant
sight.

A most enjoyable five-course ban-
quet was served at the close of which
Mr. Jesse Manley, in his manly fash-
ion, acted as toastmaster introducing
the speakers of the occasion. Mr. Carl
Nissen responded in an interesting
and thoughtful manner with a toast
to the Wanderlust. Miss Gretta Goude
graciously responded with a toast to
Mileposts and Mr. Avard Whitman
concluded the toasts with a response
to Finis.

Immediately following, an entertain-
ing program was given. Mr. Halsey
Carstens rendered a piano solo in his
usual pleasing manner. An original
Rook special was presented by Mr.
Allen Arnold, Mr. Hilmer Bentson, Mr.
David Campbell, Mr. Elmer Dierks,
and Mr. Russell Elliott. A vocal solo
by Mr. David Campbell was greatly
enjoyed. Mr. Jesse Manley gave an
amusing reading entitled "Columbia
Crum" and Mr. Allen Arnold played a
pleasing violin solo. The singing of
the fraternity song brought the even-
ing to a successful close.

The guests of the occasion were:
Mrs. William R. Frerichs, the Misses

**DELTA PSI DELTA GIVES
ANNUAL PICNIC TO FRIENDS**

Delta Psi Delta Fraternity gave
their annual picnic Saturday evening,
May fourteenth.

Immediately after the baseball
game with Chemawa, members of the
fraternity and their guests gathered
beneath the oaks on the campus and
were soon speeding country-ward,
climbing the mighty heights of "Pin-
nacle Ridge."

Here amid the grandeurs of nature,
youthful spirits were revived in live-
ly games and contests until the call
to supper assembled the happy pic-
nickers about the festive board. A de-
licious supper was served "punchiat-
ed" with good spirits and many merry
jollifications.

Then a big bonfire suddenly blazed
forth and around the cheery fire the
spirit of true friendship, so character-
istic of the hosts, was very manifest.
Mr. Wilfrid Richards, president of the
fraternity, introduced Mr. Paul Jack-
son as Toastmaster of the evening.
The program was arranged under the
heading "The Call of a Spring Day."
Sylvester Cross toasted to "Rippling
Brooks," Ben Larson to "Flowers o'
Spring," Esther Telcher to "Beckon-
ing Woods," and Mark Rich to "Shades
of Evening." The hosts then sang
their fraternity song closing the pro-
gram of the evening. Marshmallows
soon toasted and browned over the dy-
ing embers, and then the last fare-
wells.

Among the guests present were:
Anna Holman, Bertha Pentney, Lavina
Hackett, Emma Bueermann, Minnie

SENIOR CLASS ARE GUESTS OF PROF. AND MRS. SCHLAUCH

The hospitable Schlauch family entertained the Senior class at a supper last Tuesday evening.

After some preliminary business the worthy dignitaries found the respective black cap place-cards at the attractively arranged tables.

A delicious four-course dinner was served and eaten midst a great deal of fun and good fellowship.

At its close President Davis, as toastmaster, introduced the following appropriate toasts:

"Milestones"—Paul Jackson,
"Associations"—Dorothy Smith,
"Celebrities"—Prof. Richards.

These being very ably delivered and much appreciated served to draw the class closer together in memory of the milestones passed together, and the associations held in common and in anticipation of a happy future.

CONQUEST CLASS TO HOLD ANNUAL PICNIC MAY 28TH

(Continued from Page One)

There will be plenty for all, makes no difference how hungry you get, so do not worry about being underfed.

There will be no program or set exercises of the day. Everyone is expected to enter heartily into the pleasures of roaming, climbing, and kodaking all day long. No one will be there to tell you what to do, or where to go, the woods are yours, help yourself.

The tickets, including all expenses for the day, except films, gum, etc., will be \$1.00, and they will be placed on sale in the Book Store Wednesday. Miss Steele urges that those who are going, purchase their tickets at the earliest possible moment, and not later than three days before the picnic. This is absolutely necessary in order that definite arrangement can be made, so sign up and get those tickets this week.

This big celebration is not confined to members of the Conquest Class alone. All are invited to go who can dig up the required "kale." This year there ought to be a record crowd. This will be Prof. VanOsdel's last year as teacher of the class and his last picnic at Baker Creek falls. Get the spirit and join the crowd. You cannot afford to miss the crowning event of the year.

LOCAL BALL TEAM GOES TO NEWBERG NEXT FRIDAY

The McMinnville baseball team meets the Pacific college aggregation in a return game on the Newberg diamond Friday afternoon, May 20. The results of the game here May Day was not at all encouraging, but not a single man on the team has lost hope. Roscoe Larson pitched a wonderful game against the Indians last Saturday, and will be going still better before the week-end. With the old reliable in the box, the Quakers will find opposition that is extremely difficult to overcome.

The boys played a splendid brand of ball against the Indians and are expecting to slip one over on the P. C. team next Friday afternoon.

In the Laboratory

Mack: "Don't tell Miss Research that you can't live without her when you propose."

Jack: "Why not?"

Mack: "She's so dreadfully scientific that she'd refuse you just for the sake of the experiment."

Horrible

"Are the snakes around here very venomous?" asked the timid tourist.

"Venomous!" exclaimed Gila Bill, "why, say, pardner, only the other day a side-winder bit Mesquite Thompson in his wooden leg and it swelled so hard and so fast that if we hadn't got him to a saw mill right away he'd have turned into a petrified forest."

For the first time in many years the football squad at the University of Pennsylvania will have no spring practice. Most of the men are turning out for other activities and could not turn out.
