Historical Note

The McDaniel collection was created in the 1990s at the First Baptist Church in McMinnville, Oregon, in an attempt to preserve history of both Linfield College and the church. The overlap between the First Baptist Church and Linfield College goes back as far as 1858 when they were founded at roughly the same time. The church and the college remained closely tied together until the 1970s. Many former Linfield presidents, staff, and faculty have attended the First Baptist Church over the decades.

Content Description

This collection contains information on former pastors of the First Baptist Church as far back as its founding, files on living and deceased members of the church who are also connected to Linfield College, and files concerning Linfield and church history respectively. The collection also includes numerous books, photographs, and scrapbooks.
