ROGUE – A DEEPER MEANING: ORGANIZATIONAL COMMUNICATION AND THE NONVERBAL SIGNIFIERS IN LABELS

GEORGE SAUL
ABSTRACT

Within the beer and wine industry, labels provide an ever-prevalent marketing ploy to reel in customers. A semiotic analysis of ROGUE Breweries’ main beer labels provided a glimpse into the company’s communication strategies. Focusing on both verbal and nonverbal messages, the study illuminated several themes occurring within this marketing tool and identified concrete messages conveyed by the labels.
WHAT IS ROGUE BREWING?

• Where did it start?
  • Ashland, Oregon
  • Founded in October 1989

• ROGUE Brewing’s most productive hop farm is located in Independence, Oregon.

• All Rogue Ales are brewed in Oregon and then distributed all around the world.
RESEARCH QUESTIONS

• Do the labels of ROGUE beer include recognizable signifiers that have been used throughout history?

• Do the labels contain a narrative that is accessible to the consumer?

• Are there any connections between the use of color in the labels as a marketing tool and appeals to the emotions of the consumer?

METHOD

• Semiotic analysis
  • Ferdinand de Saussure
    • Sign, signifier, signified
  • Arthur Asa Berger
    • Intrigued by language and the metaphors that we make to form language
    • “To say something is one thing is to also infer what it is not.”
BERGER’S METHOD

• Isolate and analyze important signs
• Identify the central structure, theme, or model of the text
• Identify the narrative structure of the text
• Determine whether the medium being used affects the text and how

CONCLUSIONS

• Accessible narratives are created by ROGUE through repetition.
  • Throughout ROGUE’s marketing scheme, the vocalization of a consistent and repetitive message is key to the impact the label has on the audience/consumer.
  • “Dare Risk Dream”
    • On neck of ALL ROGUE bottles *except specialty editions*
  • “Dedicated”
    • This promotes in the consumer a subconscious personal connection to the product.

• Nonverbal Signifiers are essential and communicate historical cultural messages.
  • Clenched fist
    • Unity, defiance, solidarity, & revolution
    • Deeply rooted in U.S. history

• Color choices invoke emotional responses in the audience/consumer.
  • Red, White, & Blue = patriotism
